Traffic shifting onto Scheuring Road/Lawrence Drive roundabout Monday *De Pere roundabout open to all traffic except southbound Lawrence Drive*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing the roundabout under construction at the intersection of Scheuring Road and Lawrence Drive, will open to all traffic movements on Monday, November 8, except southbound on Lawrence Drive.

The traffic shift is needed so construction can continue in the southwest quadrant of the intersection, where temporary bypass lanes have been in operation since the project began July 26. The designated, alternative route for southbound Lawrence Drive traffic is eastbound Scheuring Road, to American Boulevard, to Fortune Avenue, to Lawrence Drive.

These traffic movements will continue until construction of the roundabout is completed the week of November 23. All closures are weather dependent and subject to change.
